SUMMARY

I am Vikas, a B.Tech first-year student specializing in Artificial Intelligence and Machine Learning. I have a strong interest in technology, problem-solving, and software development. I am skilled in C programming and eager to learn more about AI, machine learning, and competitive programming. I enjoy exploring new ideas, working on projects, and improving my technical skills. With a curious mindset and a passion for learning, I aim to apply my knowledge to real-world challenges.
